

Welcome to Thunder Mountain Curry

Notes : Probably need either more pictures of food or use the ones of the owners (ask for original imgs from owners so it isn't compressed.) This page should probably be a mix of the Home and about us page of their website. Unsure how to decorate it. Also, the color scheme like the bottom bar, should be consistent, just tried to match the logo a bit more.

Also available in Troy
Farmers Market, and
in front of the RPI
Student Union
